

# How am I billed for transaction fees?

Last Modified on 09/21/2023 9:11 am PDT

## Merchant Accounts

All Merchant Account customers will automatically have credit card transaction fees taken from them with the transaction processing. For AMEX cards have a transaction fee of 3.95%, while MC, VISA & DISC have a transaction fee of 3.5%. These fees will automatically be deducted from your account at the end of each month.

For more answers about merchant services, review the [Frequently Asked Questions](#).
