

How can a fundraiser log into their fundraising page?

Last Modified on 07/18/2023 8:51 am PDT

Often, your fundraisers may want to make changes to their Fundraising page. Maybe they want to change the picture or the wording of their text or join a team.

There are two ways they can do this:

- [Email](#)
- [GiveSmart.com](#)

You will want to encourage your fundraisers to save the email:

From: [Your Organization Name] noreply@mobilecause.com

Subject: Your Fundraising Page is Ready

Email

The easiest way for them to edit their page is to click on the grey button to **Edit My Page** from the email they received when they signed up. This method recognizes their email and doesn't require a password to go to the editor.

Thank you for becoming a fundraiser!

Our staff is reviewing your page and we will keep you posted once it is approved.

Share your page!

Edit My Page

POWERED BY

If they have lost this email, you can resend it to them [as explained here](#).

GiveSmart.com

If your fundraiser has lost their email and you are not in a position to resend it to them, then they can go to <https://www.givesmart.com>, click on the **Login** button in the upper right, and select "Fundraise (Mobilecause)".

Login

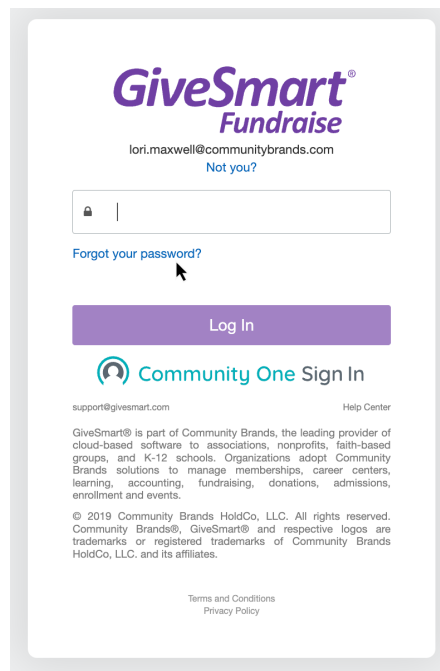

Request Demo

They will be taken to the same page that you would go to log into your GiveSmart Fundraise account where they will enter the email that their account was signed up under. They will then click "Next".

The image shows the GiveSmart Fundraise login page. At the top is the GiveSmart Fundraise logo. Below it is a text input field with an envelope icon and the placeholder text "Email or Username". Underneath the field is a link that says "Not on GiveSmart Fundraise? Request a Demo". Below that is a purple button labeled "Next". Under the button is a "Continue with Google" button with the Google logo. Below that is a "Community One Sign In" button with the Community One logo. At the bottom, there is a footer section containing the email "support@givesmart.com", a "Help Center" link, a paragraph of text about GiveSmart being part of Community Brands, and a copyright notice for 2022 Community Brands Intermediate, LLC. There are also links for "Terms and Conditions" and "Privacy Policy".

Very likely, unless your fundraiser specifically set the password, they will need to click on **Forgot Your Password?**

The image shows the GiveSmart Fundraise password reset page. At the top is the GiveSmart Fundraise logo. Below it is the email address "lori.maxwell@communitybrands.com" and a link that says "Not you?". Below that is a password input field with a lock icon and a vertical line. Underneath the field is a link that says "Forgot your password?" with a mouse cursor pointing at it. Below that is a purple button labeled "Log In". Under the button is a "Community One Sign In" button with the Community One logo. At the bottom, there is a footer section containing the email "support@givesmart.com", a "Help Center" link, a paragraph of text about GiveSmart being part of Community Brands, and a copyright notice for 2019 Community Brands HoldCo, LLC. There are also links for "Terms and Conditions" and "Privacy Policy".

Then they will need to enter their email address and click **Send** to get a link through email to reset the password.
