

# Create an Activity

Last Modified on 09/26/2023 5:02 pm PDT

Activities are created within a **campaign** and are used to create and organize forms. An activity can be created by selecting New Activity from the dashboard, clicking the + icon on a campaign card or by selecting New Activity from within a campaign.

What kind of activity do you want to create?

 **Online form**  
Collect donations, sell tickets, recruit volunteers, and more

 **Texting keyword**  
Capture texted donations and new subscribers

 **Crowdfunding/Peer-to-Peer**  
Recruit teams and individuals to fundraise

 **Update to Event Pages**  
Event Pages are now Activity Landing Pages. When you create an online form, an Activity Landing Page will be available by default in the left navigation of the Activity page.

Hosting an auction? Running a raffle? Need seating management with your ticketing? GS Events is the place.
